

Policy Statement

Simplex ITC LLC JV is committed to:

1. **Compliance with Environmental Legislation and Standards**
 - Adhering to all applicable local, national, and international environmental laws and regulations in Uzbekistan.
 - Implementing best practices to exceed compliance requirements wherever feasible.
2. **Pollution Prevention and Resource Efficiency**
 - Minimizing waste generation by adopting efficient production, operational, and administrative processes.
 - Conserving energy, water, and raw materials through innovative technologies and employee engagement.
 - Implementing measures to prevent pollution in air, water, and soil.
3. **Sustainability and Continuous Improvement**
 - Incorporating sustainable practices in procurement, operations, and project execution.
 - Establishing measurable environmental objectives and targets to continuously improve environmental performance.
 - Conducting regular reviews and audits to monitor and enhance environmental outcomes.
4. **Climate Change Mitigation**
 - Reducing greenhouse gas emissions by promoting energy-efficient processes and renewable energy sources.
 - Supporting initiatives aimed at mitigating climate change and contributing to global sustainability goals.
5. **Employee and Stakeholder Engagement**
 - Raising awareness among employees about environmental responsibilities through training and capacity-building programs.
 - Collaborating with stakeholders, including clients, suppliers, and local communities, to promote environmental conservation initiatives.
6. **Sustainable Growth and Community Contribution**
 - Developing projects and services that contribute to the long-term sustainability of the communities in which we operate.
 - Encouraging and supporting environmental education and conservation projects within the region.

Implementation and Responsibility

- The management of **Simplex ITC LLC JV** is responsible for implementing this policy and ensuring that environmental considerations are integrated into decision-making processes.
- All employees and contractors are expected to adhere to the principles and practices outlined in this policy and actively participate in its implementation.

Review and Updates

This Environmental Policy will be reviewed annually or as necessary to ensure its relevance and alignment with evolving environmental standards and organizational objectives.

Approved by:

Management of Simplex ITC LLC JV

Date: [01/01/2024]

Location: Uzbekistan

This policy represents Simplex ITC LLC JV's commitment to environmental sustainability and reflects our responsibility towards the environment, the community, and future generations.
